Dear Ms. Hyde:

This letter serves as confirmation that Archer Daniels Midland's CCS#1 permit application relies upon and is inclusive of the information submitted to the U.S. EPA using the GS Data Tool Input Advisor in compliance with requirements at 40 CFR 146.82(a) and (c) and 146.84 for purposes of delineation of the project Area of Review.

Please consider that information when evaluating the CCS#1 permit application and developing the Class VI permit for that well. If you have questions please contact me at 217-451-5142.

Regards,

Scott McDonald
